### Chapter 12

Name three (3) of the “little lies” Grant is thinking of possibly telling Miss Emma about Jefferson?

When Grant arrives at the Rainbow Club, what are the two men and Joe Claiborne talking about?

As the men were talking, what was it that Grant remembered regarding his university days?

At the end of Chapter 12, Vivian offers to Grant an explanation of his not “running away.” Is her explanation just?

What does her explanation reveal about her and about her understanding of Grant and of his situation?
